PRINCIPAL’S CORNER

It’s been an exciting first three days of school for students and staff! Mr. Weaver and I are very appreciative of the extremely warm welcome we have received from the entire school community. We look forward to welcoming you all to our PTO sponsored family barbecue and Open House Event on Thursday, September 8th from 5:30 PM-8:00 PM.

FIRST DAY FORMS

Please don’t forget to take a few minutes to complete the various forms sent home on the first day of school and return them to your child’s teacher as soon as possible.

NAEYC & SCHOOL CLIMATE SURVEYS

Thank you to all those who completed the annual National Association for the Education of Young Children (NAEYC-PK/K) and School Climate Surveys (PK-4) last year.

As an NAEYC accredited program, Brooklyn Elementary School is committed to providing the highest quality early childhood programming. The 2015-2016 survey provided us with a lot of positive feedback regarding our programming, as well as, some great suggestions for how we can improve our school programs and services.

Our Parent School Climate Survey also provided us with a lot of positive feedback regarding our school community and gave us critical information regarding areas in which we can focus our annual improvement goals.

We encourage ALL parents and guardians to play an active role in our school community. We welcome your participation at school events, PTO meetings, building based and district committees, and classroom activities whenever possible.

As the holiday season approaches, please consider working with your child’s teacher, so that you may share your information regarding family traditions and celebrations with your child’s classmates. At BES, we value your input and volunteer efforts as we strive toward excellence and a strong home-school connection.
