

COLOR RUN

Brooklyn PTO 5K

Dear Parents,

Brooklyn Schools will be holding a fundraising campaign which will culminate with students participating in **Brooklyn Schools Color Run Fundraiser** on **October 20, 2018**. All proceeds from this fundraiser will be used to enhance and support the educational experience at the Brooklyn Schools.

This is an important fundraiser for our school and we need your help to make this campaign a success!

Please register online. Once registered, your child will be given their own personal fundraising webpage that you will find in your email after your registration is complete. If you aren't sure of the address (URL) of your child's personal fundraising webpage, after registration, go to the website **brooklynschools.myfunrun.com**, click on donate, then enter your child's first name (or participant number).

To raise money, share your child's personal fundraising webpage address with family and friends around the world by email, Face book, Twitter, or any other method you prefer. You can also share your child's webpage easily by clicking on one of the "Share" icons at the top right of your child's personal fundraising webpage.

People with whom to share your child's personal fundraising page:

- Family members
- Friends
- Colleagues
- Educators
- Neighbors
- Etc...

Please help and encourage your child to surpass his/her goal of \$100. Every dollar counts!

Many of you can help your children reach their goal with just a few emails. Don't forget to sponsor your child yourself now, as that will start them off to reaching their goal!

The school, teachers, and parent volunteers are all working hard to make this campaign a success and improve our school. Please take just a few minutes to do your part by encouraging and facilitating your child's fundraising efforts.

The fun run promotes a healthy message and teaches our children the importance of health, fitness and giving.
